New uploads

I have just uploaded the recent film 'Death at a funeral' in the cinema/feature films library on my site.

I found the torrent on the Internet. It looks like a DVD-ripped version, in English with Swedish subtitles. I haven't watched it through yet but the quality seems to be acceptable.

I promise I'll buy (and rip) the DVD when it's officially released!

Just let me know if you are interested.

New pages

- The page 'Macfascynation' brings together several of my creations inspired by MM. It is accessible through the beating hearts on the page 'An idol'.
- The page 'The Making of Music' presents all the audio clips and the texts read by MM.

New features

The following features, in the private page 'Darcied', are now ad-free (sorry for the ads in this newsletter):

- Guestbook
- Send an e-Card
- Photo Center
- Online calendar

Last but not least, I have added some new fun clips with Fadyen.
